Vacation Bible School at the Light

This years' VBS will be held during the week of July 13-17, 2009, at 6:30 p.m. nightly. Vacation Bible School is one of the most important events our church can embark on. For the simple reason that it is an excellent learning too, full of fun and excitement. It will definitely will create a big impact in our church and our community. It doesn't matter how long it is — one day, one week, or one full summer — VBS becomes one of the most cherished summer memories for our kids, teachers and even the adults

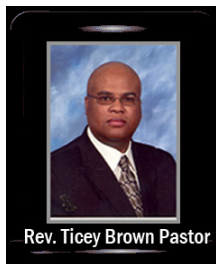

The theme this year is: Studio GO! Game Show takes kids on an interactive, biblical journey with people from the Bible who were told to GO! do something by God. Not only are the stories biblically strong but they also relate to kid's everyday lives. Studio GO! Game Show is full of fun and excitement that all ties into the biblically based lessons as well as teaching kids about Going out into the world and serving God!

We don't want to be a ministry that just focuses on service within the four walls of Greater True Light, but we want to be known as a ministry that works with the community as well to reach and teach the people in the community.

VBS is a perfect way for our members to remember the Bible stories and use them as an outreach tool to friends and family. These are some great lessons that you don't want to miss.

There will be crafts, music, games and food. This years' VBS will be under the leadership of Sis. Carol Shelton. We are anticipating a lot of excitement. We look forward to seeing you at Vacation Bible School. Studio GO! Game Show VBS. So let's GO! to Studio GO! Game Show!

Ingredients:

| <ul style="list-style-type: none">• 3/4 cup granulated sugar• 1/4 teaspoon salt• 1/2 cup all-purpose flour• 3 cups milk, low fat or whole• 3 large egg yolks• 3 tablespoons butter, room temperature | <ul style="list-style-type: none">• 2 teaspoons vanilla• vanilla wafer cookies• 3 to 4 bananas, ripe but firm• sweetened whipped cream or whipped topping• banana slices for garnish• mint sprigs, optional |
|---|--|

Preparation:

In a bowl, combine the sugar, salt, and flour; stir to blend. Slowly stir in milk until smooth. Pour into the top of a double boiler over simmering water. Cook, whisking frequently, until the mixture begins to thicken.

In a small bowl, whisk the egg yolks; gradually whisk in about 1 cup of the slightly thickened hot milk mixture. Return egg mixture to the double boiler, stir in the vanilla and butter, and continue whisking and cooking until well thickened. Remove from heat and set aside to cool slightly.

In tall dessert glasses or a 2-quart serving dish, make a layer of vanilla wafers then sliced banana. Spoon some of the pudding over the banana layer then layer more vanilla wafers and banana slices, topping with more pudding. Serve with whipped cream topping. If using short dessert dishes, use only one layer each of the wafers, banana slices, and pudding, and then top with a dollop of whipped cream. Garnish each serving with a few slices of banana and a mint sprig if desired.
