Pastor and Wife 11th Year Pastoral Anniversary

Where: Greater True Light Missionary Baptist Church

October 9th @ 7:00pm

Let us come together and thank and celebrate the Man and Woman of God which have been given to us by God.

Pastors are servants who have been called by God to shepherd His flock. It is not an easy job to undertake. Pastors need encouragement and support from their church members.

One of the most important things you can do for your pastor is to pray for him. The pastor, his family, the elders and deacons are often targeted by satanic schemes and strife. The devil's objective is to strike the pastor (shepherd) and scatter the flock. This is often accomplished through members of the pastor's own church. It is, therefore, important that the church leadership and members of the congregation stand in the gap with consistent prayers for the pastor's protection. God honors his shepherds and commands us to do the same.

“Let the elders who rule well be considered worthy of double honor, especially those who labor in preaching and teaching.” (1 Timothy 5:17)

Harvest Month @ Greater True Light

Starting Wednesday, October 14, 2009, from 6:00 p.m. to 6:45 p.m. and continuing every Wednesday until November 18, 2009, we will be celebrating Harvest month. Pastor Gaddis is asking at least 21 people to come to the church every Wednesday during this time, to help reach out to our members. One group will be praying, another group will be calling members, another group will be emailing members, another group will be texting members, another group will be sending letters to members.

As we have stated in the past we are doing 1/3 focus of our vision, which is mission, but now is time to focus on the membership. As Pastor always says, people don't care how much you know, until they know how much you care. So if you have a care and concern about the body of Christ, we encourage you to come out and assist us in reaching out to the people of God.

A sign up list will be posted in the back of the church. We are asking that you sign up so we will have a count of how many people we are working with, or how many more people we need to reach out to assist. We are making a special plea to the Youth to come out, we need you to assist us in reaching out and touching other Youth.

Our Harvest Month will conclude with a two night revival, our guest speaker will be Rev. Dale Sanders, Pastor of the Fifth African Baptist Church, in New Orleans, Louisiana.
