Celebrating 11 years as the First Family of Greater True Light

Next month October 4, 9, & 11, 2009, we will be celebrating our Pastor's 11th year as Pastor of Greater True Light. It has been a great joy to have Dr. Gaddis serve as the leader of this church. It has done great things in his 11 years of service. There have been many challenges put before him, but through it all God brought him thru.

Our church membership has grown, there have been more ministries and activities instituted, our bible study is growing under Dr. Gaddis. Some of the ministries that have flourished under Dr. Gaddis are the Senior Saint Fellowship, the Feeding the community on Thursday nights, the New Women's Members, the Closing the Backdoor ministry, and the family care ministry. This just goes to show that Dr. Gaddis is concerned about the whole man.

Through his leadership there have been those that have never stepped out in service, but now are standing boldly on the Word of God and before the people of God. He constantly shows a love for people from the youngest to the eldest. Meeting them right where they are.

We thank God for Sis. Gaddis, who is a blessing to the body of Christ, as well as to the man of God. She is a praying woman that loves God and is concerned about the body of Christ.

We want this years' anniversary to be a great success. Greater True Light we need you to come out and show our Pastor and his family that we love him. We want all of Greater True Light to come out and attend all of these services, we know that we will have guest, but it's like having a party, you don't want to plan the party and have your guest show up and out number those who are giving the party. The same stands true for our Pastor & Wife's Anniversary we want Greater True Light to be in the house.

We are asking that all of the ministries step up and give \$1,000 and each member give \$135.00. The \$135.00 should be given to Michelle Gaddis and Khalilah Anderson.

The committee for this years' anniversary is Bro. Wayne Gaddis, Bro. Daniel George, Sis. Carol Shelton, Sis. Michelle Gaddis, Min. Barbara Holmes, Sis. Khalilah Anderson, Sis. JoAnn Mosley and Sis. Joyce Mahaffey.

Greater True Light let us represent well this year.

Happy Birthday Pastor Gaddis

Congratulations to Two of our Young Adults

Janae Johnson

Janae Johnson, who graduated from Leuzenger High School in June of this year, is the first student in the history of Pastor Gaddis to go away to college. For the fall semester Janae is attending Stillman College, in Tuscaloosa, Alabama. She left at the end of August and is currently attending school full time. Greater True Light was truly a blessing to her financially, and it just shows that if we continue to have the Love of God, the sky is the limit. We wish Janae all the blessings and encourage her to focus on school, during her time away from home.

Patrick Jarrett

Our own Patrick Jarrett, who is a student at Musicians Institute School of Contemporary Music, is a very dedicated young man. Patrick has been attending Greater True Light for little over a year, he plays the drums. When Patrick is playing you can see the enjoyment and the love that he has for what he does.

For the month of August, Patrick was in the Musicians Institute Band and that won

A Rap Battle Competition, sponsored by Victory Outreach International at the Ontario, CA Convention Center on July 24. The band included other musicians from MI, they performed before an audience of several thousand and took home both the People's Choice award and top honors from the panel of judges. To view there performance please log on to <http://www.thegangnetwork.com/video/im-chosen-1>. Also, Patrick audition for a drum job with Randy Jackson who is one of the judges on American idol, and out of the 50 drummers Patrick won the auditon. So he will doing a project in the coming months. More information will be coming soon.
